

NOVA SOUTHEASTERN UNIVERSITY  
Peter E. Murray, B.Sc (Hons), Ph.D.  
Professor

February 6<sup>th</sup>, 2018

Dear Editor and Board of the World Journal of Stomatology

**Certification of the use of proper English grammar and language in the manuscript titled: Minireview of the clinical efficacy of platelet-rich plasma, platelet-rich fibrin, and blood-clot revascularization for the regeneration of immature permanent teeth (ID # 38309)**

The manuscript was written by Dr. Peter E. Murray BSc(Hons) Ph.D. who is a native writer of the English language. Dr. Murray has written and published approximately 178 original articles, scientific papers, books, book chapters, abstracts in his native English language.

The manuscript was re-read carefully by another Professor at NSU, her name was Dr. Maria Hernandez. Dr. Hernandez approved the use of the language used in the manuscript prior to its submission to the journal. If required you have permission to contact Dr. Hernandez at [marher@nova.edu](mailto:marher@nova.edu) to verify these details.

Respectfully,

Peter Murray, Ph.D.
