

Center for Imaging Research

August 23, 2018

El-Sayed H. Ibrahim, PhD  
Medical College of Wisconsin  
Department of Radiology  
8701 Watertown Plank Road  
Milwaukee, WI 53226

Dear Dr. Ibrahim,

On behalf of the Center for Imaging Research (CIR), I am pleased to inform you that your project entitled "**Feasibility of in vivo human cardiac MRI imaging at 7T**" has received funding approval in the amount of **\$5,000** over a 12-month period beginning **August 23, 2018**.

The funds for this project are part of the **Daniel M. Soref Charitable Trust**.

Terms and Conditions of Award:

- Initiate research within six months from the award date. If not initiated, the project will be terminated.
- Submit a progress report to the CIR Review Committee six months after project approval or at mid-point of the duration of the project, whichever is sooner.
- Submit a final report following the completion of the project.

In addition, the CIR requests that you acknowledge your funding source, the Daniel M. Soref Charitable Trust, in any publications and that you inform us of any extramural funding that results from this pilot study.

Funds will be managed within the CIR. Therefore, please submit invoices to **Jodi Nicolai** at [jonicolai@mcw.edu](mailto:jonicolai@mcw.edu). Also, financial updates will be provided to you monthly.

We are very pleased to be able to support this important research and look forward to a productive collaboration.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Koch", written over a horizontal line.

Kevin M. Koch, PhD  
Director, Center for Imaging Research  
Associate Professor of Radiology
