This letter provides the language certificate for the following reference:

World Journal of Gastroenterology

Manuscript NO.: 19674

Column: Review

Title: Laparoscopic colorectal surgery: current status and implementation of the latest technological innovations

Authors: Marta Pascual, Silvia Salvans and Miguel Pera

I have performed the task of editing the paper, check references against PubMed database and adapted references to guidelines of the World Journal of Gastroenterology.

My name is properly mentioned in the Acknowledgements section of the manuscript.

I am officially qualified in Editing and Writing by American Medical Writers Association and further details regarding my academic background, training at the Section of Publications (Mayo Clinic, Rochester, Minn) and experience as a medical editor can be found in my web page <http://www.marta-pulido-barcelona.com> where there is also my CV updated and in detail. For any further question, please do not hesitate to contact me.

Yours sincerely

Marta Pulido, MD, PhD
