Editor in Chief: Damian Garcia-Olmo, MD, PhD

Dear Editor,

I am a research scientist in the Department of Internal Medicine at the University of Iowa, and have published more than 30 scientific papers in peer-reviewed English language journals. I have reviewed and edited manuscript entitled "Chymase inhibitor TY-51469 in therapy of inflammatory bowel disease" by Wei-Xin Liu et al. for grammar, spelling and other language errors. I believe that the language of this manuscript has now reached Grade A and is publishable in your Journal.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Yang Yu', with a large, sweeping flourish extending to the right.
