

## Answering Reviewers

September 1, 2018

Dear Editor,

Please find enclosed the edited manuscript in word format (File name: ESPS manuscript No-41076-Editorial)

**Title:** Next generation sequencing in oral disease diagnostics

**Author:** Sapna G, Gokul Sridharan,

**Name of the journal:** *World Journal of Stomatology*

**ESPS manuscript no:** 41076

The manuscript has been improved according to the suggestions of the reviewers:

- 1) Format has been updated
- 2) ORCID number has been added
- 3) Revision has been made according to the suggestions of the reviewers
  - a. Reviewer (1)
    - Minor language polishing
    - References have been improved with addition of newer literature
  - b. Reviewer (2)
    - Minor language polishing
    - Clinical applications of next generation sequencing have been described in more detail
  - c. Reviewer (3)
    - Minor language polishing
    - Clinical importance of next generation sequencing has been added
- 4) References and typesetting were corrected
- 5) The manuscript has been modified to reduce the overall similarity to less than 30% and the overlapped section to less than 5%

Thank you once again for publishing our manuscript in *World Journal of Stomatology*

Sincerely yours

Dr. Gokul Sridharan,

Associate Professor, Oral Pathology and Microbiology,

YMT Dental College and Hospital,

Kharghar,

Navi Mumbai-410210,

Maharashtra, India
