To whom it may concern,

This letter is to confirm that I helped revise the manuscript for grammatical, syntactical, formatting errors and polished the language.

Title of manuscript: Mechanism of Pachymic acid in the Treatment of Gastric cancer Based on Network pharmacology and Experimental Verification

Corresponding Author: Dr. Ling Yuan, Ningxia Medical University, Yinchuan 750004, Ningxia Hui Autonomous Region, China

Please contact me if you have any queries.

Sincerely,

Joanna Japhet Tibenda, Pharmacology major, School of Pharmacy, Ningxia Medical University, Yinchuan750004, China
