

Institutional Review Board (IRB) statement

Dear Editor,

Please find enclosed the Institutional Review Board (IRB) statement for the following manuscript.

Name of Journal: World Journal of Orthopaedics

ESPS Manuscript NO: 30927.

Title: 75-year-old patient with painless swollen calf muscles caused by bilateral venous malformations.

Running title: Piekaar RSM. et al. Bilateral venous malformations within calf muscles

Authors: Roderick S.M. Piekaar, MD, Eline W. Zwitter, Paul P.A. Hedeman-Joosten, Joris A. Jansen

The statements of this article are as below:

1. The manuscript is not simultaneously being considered by other journals or already published elsewhere.
2. The manuscript has no redundant publication, plagiarism, or data fabrication or falsification.
3. The manuscript is written in compliance with the relevant laws regarding the human care.
4. The manuscript is written with the informed consent and permission of the patient.

5. The material contained within the manuscript is original, with all information from other sources appropriately referenced.
6. This case report was exempt from the Institutional Review Board standards at the Alrijne Hospital in Leiderdorp.

Thank you again for publishing our manuscript in the World Journal of Orthopaedics.

Sincerely yours,

Roderick SM Piekaar
