

Re: Submission of invited manuscript (02984706) titled “Endoscopy in inflammatory bowel disease: Role in diagnosis, management, and treatment” for publication in the World Journal of Gastroenterology.

To Whom It May Concern:

We are submitting revisions for our invited manuscript reviewing endoscopy in inflammatory bowel disease (IBD), ID number 02984706. We have addressed each reviewers recommendations and have incorporated these into the revision.

We confirm that this manuscript has not been published anywhere and is not under consideration by another journal. All authors have approved the manuscript and agree to submit it to the World Journal of Gastroenterology.

We look forward to hearing from you.

Sincerely,

Nilesh Lodhia
