SPECIFIC COMMENTS TO AUTHORS

This manuscript deals with almost all possible liver diseases and their injuries, e.g., NAFLD, MAFLD, Alcoholic liver disease, Alcohol-related liver disease, Autoimmune diseases (AIH, PBC, and PSC), Viral Hepatitis (HCV, HBV), Cirrhosis, HCC, Liver transplantation, Moreover, it also reviews about the prioritization of COVID19 vaccination having liver diseases and injuries. The authors also have thoroughly shed light on dealing with COVID-19 patients having hepatic injuries and complications. The authors have brought an excellent review to the concerned field. The review is a comprehensive and well-written manuscript and has the potential to be accepted.
