

List of issues in the revised manuscript:

List of common issues in revised manuscripts by authors and comments: as per suggestions/ feedback with consensus we've did the modification as following. On behalf of my co-authors and myself I'm resubmitting the article -

No.	Location	Common issues and comments
Reviewer #1: Scientific Quality:		
1	LANGUAGE POLISHING	The language of this article is still inadequate, and it still needs to be polished by native speakers. Done and submitted
<i>(1) Science editor:</i>		
1.	Author Contributions	Issue: The "Author Contributions" section is missing Article prepared as per Minireviews format
2.		The authors did not provide original pictures. Please provide the original figure documents and arrange the figures using PowerPoint Original pictures have been provided also a PPT is prepared and is being submitted
<i>(2) Company editor-in-chief:</i>		
1	Decomposable Figures	Please provide decomposable Figures (in which all components are movable and editable), organize them into a single PowerPoint file. Done
2	Standard 3 lines tables	Please authors are required to provide standard three-line tables, that is, only the top line, bottom line, and column line are displayed, while other table lines are hidden. The contents of each cell in the table should conform to the editing specifications, and the lines of each row or column of the table should be aligned. Provided
3	English Language Certificate	Before final acceptance, the author(s) must provide the English Language Certificate issued by a professional English language editing company. Language certificate received as per recommendations from AJE
A modification by authors		
	Title	Issue: no acronym We've modified the topic as 'Mental health promotion for elderly populations in World Health Organization

		South-East Asia Region: Needs and resource gaps'
