SPECIFIC COMMENTS TO AUTHORS

The manuscript "Synovial Sarcoma in Planter: A Case Report and Literature Review" submitted by Jie Gao et al. describes an interesting rare case of Synovial Sarcoma in the plantar region that was misdiagnosed few times due to the presence of several confounding factors. The manuscript alerts to the need to consider Synovial Sarcoma in

differential diagnosis of unexplained limbs pain as well as the importance of the early diagnosis and treatment of this cancer. Although this is a good manuscript, some adjustments should be done before publication, as follows: 1. Add the word "that" between the words "shows" and "pathological" in the subtopic "conclusion" at the Abstract; 2. Specify which antibiotics were used in the patient's treatment in the topic "Treatment"; 3. Specify which drugs were used in chemotherapy in the topic "Outcome And Follow Up".
