

## TO WHOM IT MAY CONCERN

I, the undersigned, have performed and verified the statistical analysis of the manuscript "Comparison of resistive index and shear wave elastography in the evaluation of chronic kidney allograft dysfunction" authored by Ameet Jesrani, Syed Muhammad Faiq, Rahma Rashid, Tariq Ali, Rehan Mohsin, Tahir Aziz, Nida Amin Khan, and Muhammed Mubarak and certify that the statistical methods and tests applied are relevant and correct to the best of my knowledge.
