

ANSWERING REVIEWERS

1. The title of the article includes the words "type 2 diabetes". Please also include the words "type 2 diabetes" in your abstract and in your conclusions.

ANSWER: Thank you very much for your advice, I have added "type 2 diabetes" in the abstract and in conclusions.

2. At the end of the introduction, please write the purpose of the article related to "type 2 diabetes" and how you selected the articles for the study.

ANSWER: We selected the articles by searching an electronic database (PubMed) with the following terms; glucagon-like peptide 1 agonists, glucagon-like peptide 1 agonists and cardiovascular disease, glucagon-like peptide 1 agonists and obesity, dipeptidyl peptidase-4 (DPP-4) inhibitors. The articles not related to diabetes, the case reports, abstract only, comments and conference papers were excluded. Only studies in English language were included. Cardiovascular safety trial of each molecule (GLP-1 RA and DPP-4 inhibitor) were also included. All the included articles reviewed for full text.

ANSWERING EDITOR-IN-CHIEF'S

Dear editor:

I have quantified the state 'cause significant weight loss ' with associated references.

Unfortunately, we don't agree that the tables that you mention about are needed to be included because the article is minireview.

Best regards

Dr. Hakan Dogruel
