[Case Report: Hypercalcaemia and acute kidney injury ...](#)

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3987624>

Apr 09, 2014 · Discussion. 25-Hydroxyvitamin D assays are now widely available, and many guidelines recommend treating vitamin D deficiency with larger doses of colecalciferol than in the past. 8 These patients developed hypercalcaemia **and acute kidney injury** following the prescription of recommended doses of colecalciferol. They had all been diagnosed with sarcoidosis several years earlier, but the ...
