Dear Prof. Fang-Fang:

Please find enclosed the revised version of the manuscript entitled 'Rituximab therapy for primary glomerulonephritis: Report on two cases' for your evaluation for publication in the *World Journal of Clinical Cases*.

ESPS Manuscript NO: 14334

Title: 'Rituximab therapy for primary glomerulonephritis: Report on two cases'

Authors: Fabrizio Fabrizi, M.D., Donata Cresseri, M.D., Giovanni B. Fogazzi, M.D., Gabriella Moroni, M.D., Patrizia Passerini, M.D., Piergiorgio Messa, M.D.

The manuscript has been improved according to the suggestions of the Reviewers and the Editor-in-Chief:

- 1) I have added a short comment (Section Discussion, page 13) on the risk of infections in kidney patients receiving rituximab (Referee 1);
- 2) I have added the PMID number to each reference (Section References);
- 3) I have added the DOI number to each reference (Section References);
- 4) I have highlighted in yellow the changes I have made;
- 5) I have added the reference numbers for all cited references (Table 2);
- 6) I have added the reference numbers for all cited references (Table 3);
- 7) I have shortened the Abstract (less than 150 words);
- 8) I have written a Core Tip (less than 100 words) (page 3);
- 9) I have written a Comment Section (ten subsections) (page 14);
- 10) I have given a brief statement on Informed consent, Conflict-of-interest, and Ethics approval of the manuscript (page 1);
- 11) I have reported the legends to the Figures (page 22);
- 12) The submission has been typed with Book Antiqua and ample margins;
- 13) I have reported the reference numbers across the text in square brackets in superscript.

.

I look forward to hearing from you soon.
Thank you for your very kind attention.

Best regards,
