

## **RESPONSE LETTER (re. manuscript NO: 37434)**

Dear editor and reviewers,

Please find in your Journal's browser our revised manuscript with the following:

1. I have revised the manuscript following your suggestion in the updated version of the manuscript. I have not highlighted the changes because there were only two lines deleted (no other revisions were made).
2. I have deleted the core tip paragraph from the manuscript (as suggested).
3. I have deleted the line 23 in page 4
4. I have deleted the line 18 in page 5
5. I have uploaded the audio core tip
6. I have uploaded the COPYRIGHT LICENSE AGREEMENT signed by all the authors
7. Furthermore I have downloaded the file under the name "Peer-Review Report" but this was blank.

Should anything else is required, please let me know.

Best regards

John Gliatis
