

Format for ANSWERING REVIEWERS

August 3, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 4332_hbreview.doc).

Title: Hepatobiliary manifestations in Inflammatory Bowel Disease: the gut, the drugs and the liver. A review.

Author: María Rojas-Feria, Manuel Castro, Emilio Suárez, Javier Ampuero, Manuel Romero-Gómez.

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 4332.

The manuscript has been improved according to the suggestions of reviewers:

1 Structure has been updated.

-Subheadings have been added to the more extensive section, such as PSC section.

-I agree with the reviewer in the different extension of the sections. As the reviewer points out, some sections are more extensive as more research has been carried out in those particular fields.

-The section "portal vein thrombosis and liver abscess" has been described separately.

2 Content review has been made following the suggestions of the reviewer

(1). A description of the literature search has been written.

(2). We have added the word "review" at the end of the title.

3 Grammar and formatting have also been revised

-Abbreviations have all of been amended.

-Caps and tabbing have been corrected.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'M. Rojas-Feria'.
