

Confirmation of English Language Editing

Bioscience Editing Solutions provided scientific language editing for Dr. Ma on the document entitled “Increased CD4+CD45RA-FoxP3^{low} cells alter the balance between Treg and Th17 cells in colitis mice” for submission. All English grammatical/syntactical errors have been corrected and the prose, verbiage, and clarity have been improved upon in the manuscript we reviewed. If you have any questions please feel free to contact me.
