Sub: Request for exemption Non-Native Speakers of English Editing Certificate for Invited Review article (ID: 02693207) submitted for publication.

Dear Editor,

With reference to the above subject we have submitted a manuscript of an article entitled, “**The Role of Acidic Environment in the Treatment of Diabetic Foot Infections : A Review**”, for publication in your esteemed journal as an invited review (ID: 02693207) on 27/01/2021. The submission system shows incomplete submission for the want of Non-Native Speakers of English Editing Certificate. In this connection we kindly request you to exempt us from submission of Non-Native Speakers of English Editing Certificate.

We hope you will kindly consider our request and do the needful.

With best regards,

Yours Sincerely,
