

## Response to Reviewers

### Reviewer # 1 (Number ID: 04025443)

**Comment 1:** Thank you for the correction.

**Response 1:** Thanks for your review.

### Reviewer # 2 (Number ID: 04031726)

**Comment 1:** The authors are making a new submission for correction of their already published article. Just a one-figure errata.

**Response 1:** Thanks for your positive comments.

### Reviewer # 3 (Number ID: 01557050)

**Comment 1:** The reviewer thinks the authors corrected the bottom right picture in Figure 3A, invasion of MGC-803 cells lines with Si-LINC02532#2.

**Response 1:** Thanks for your positive comments.

### Reviewer # 4 (Number ID: 05085803)

**Comment 1:** I have revised the figure and the original figure and found no errors. Could you please specify the corrections made?

**Response 1:** The result of Si-LINC02532 #2 group in the MGC-803 cell invasion assay (Figure 3A) was displayed by a mistake. Although the difference between the two is small, we replaced it with the right one.
