

I reviewed the language of the manuscript myself. I am a Catalan native, and I am trilingual (Catalan, Spanish, English) both for writing and speaking, as I explained previously (but the e-mail was not acknowledged, registered in the web or answered. Furthermore, I do not understand this requirement, since the second revision clearly stated that: Detail of Review Reviewer Name: Anonymous Review Date: 2021-03-13 23:15 Specific Comments To Authors: The author's responses are satisfactory. Congratulations! Scientific Quality: Grade B (Very good) Language Quality: Grade A (Priority publishing) Conclusion: Accept (General priority) Specific Comments To Authors (File): Please, read the evaluation of the Journal Reviewers and let me know which is the reason for the request of documents regarding a revision I did myself. I would like from you to complete the evaluation of the manuscript as soon as possible, since the added delays and the absence of communication are damaging the freshness of the information the manuscript contains, and also because if it is not accepted I will have to find another Journal for publication after almost four months of one-sided communications and requests that have only marginal relation to the quality and adequacy of my contribution to the WJD. Thanks for your attention
