

ANSWERING REVIEWERS

Sept 29, 2016

Dear Reviewers,

Please find enclosed the edited manuscript in Word format (Ms. No. 29708).

Title: Mitochondrial Carnitine Palmitoyl Transferase-II Inactivity Aggravates Lipid Accumulation in Rat Hepatocarcinogenesis

Authors: Juanjuan Gu

Correspondence to: Deng-Fu Yao, MD, PhD, Professor, Research Center of Clinical Medicine, Affiliated Hospital of Nantong University, No. 20 West Temple Road, Nantong 226001, Jiangsu Province, China. yaodf@ahnmc.com

Reviewer code: 00070847 and 00181421

We are truly grateful to your comments concerning our manuscript (Ms. No. 26391) and also appreciate the reviewers' careful and thoughtful suggestions, since the comments are all valuable and helpful for improving our paper. We have studied comments and made modifications according to the reviewers' comments.

Thanks to Reviewers for your very kindly comments. In this revised manuscript, we are according to your instructions to make some changes. In here, we did not list all the changes but marked in red in the revised manuscript. Once again, thank you and the reviewers very much for your comments and suggestions.

We tried to improve the manuscript and made some changes in the manuscript according to your advice and comments. And here we did not list all the changes but marked in red in revised paper. Once again, thank you and the reviewers very much for your comments and suggestions.

Thank you again for publishing our manuscript in the WJG.

Sincerely yours,

Deng-fu Yao MD, PhD, Professor,

Research Center of Clinical Medicine, Affiliated Hospital of Nantong University,
No. 20 West Temple Road, Nantong 226001, Jiangsu Province, China
