Dear *World Journal of Gastrointestinal Endoscopy* Editorial Board and Reviewers,

I'm writing this letter to certify that I'm a native English speaker with experience in writing manuscripts, chapters, and reviews.

I'm the co-author of the manuscript "**Propofol versus midazolam sedation for elective endoscopy in patients with cirrhosis: A systematic review and meta-analysis of randomized controlled trials**" and I have edited the article for proper English language, grammar, punctuation, and overall style.

Sincerely,

Shailendra Singh, MD
