Name of journal: *World Journal of Gastroenterology***ESPS Manuscript NO:** 15230**Columns:** CASE REPORT**Anti-inflammatory effect of recombinant thrombomodulin for fulminant hepatic failure**Kurokohchi K *et al.* Recombinant TM for fulminant hepatic failure

Kazutaka Kurokohchi, Osamu Imataki, Fumiyoshi Kubo

Kazutaka Kurokohchi, Osamu Imataki, Fumiyoshi Kubo, Department of Internal Medicine, Uchinomi Hospital, Kagawa 761-0793, Japan

2

Osamu Imataki, Division of Hematology, Department of Internal Medicine, Faculty of Medicine, Kagawa University, Kagawa 761-0793, Japan

Authors' contributions: Kurokohchi K managed the patient's case, contributed to the literature search, and wrote the manuscript; Kurokohchi K also made substantial contributions to the concept and design of this report; Imataki O qualified the patient's data,
