### SPECIFIC COMMENTS TO AUTHORS

Improve the image quality and provide informative caption for all .Remove the table.Improve language .The discussion should be based on the treatment of lymphoma in patients having heart failure with updated and relevant references because

cardio-oncology is an evolving branch

### SPECIFIC COMMENTS TO AUTHORS

The Authors present an interesting case report about the cardiotoxicity of the anthracycline in a young patient with an appropriate follow-up. I believe that the discussion is sufficient. I only suggest adding the possible anthracycline antiarrhythmic

### SPECIFIC COMMENTS TO AUTHORS

This case report seems to be interesting, however, I have one question and one request as a reviewer. #1 The authors adopted digoxin therapy in the present case with a regular sinus rhythm while beta-blocker, which is proposed as the first therapy for heart failure,
