Dear Editors-in-Chief,

RE: Informed Consent Statement for study "Medication beliefs predict medication adherence in ambulatory patients with decompensated cirrhosis"

We declare that all patients, or their legal guardian, provided informed consent prior to enrolment in the study. All patient and carer anonymity has been preserved within the text of the manuscript.

If you require further clarification please do not hesitate to contact me for further information.

With kind regards,

A handwritten signature in black ink, appearing to read 'Kh', likely representing Kelly Hayward.

Kelly Hayward (on behalf of all investigators).
