SPECIFIC COMMENTS TO AUTHORS

About histopathology, today it seems interesting to note the presence of tumor infiltrating lymphocytes (Immunoscore) the lymphocytic infiltration in carcinoid tumours. Roncati L, Manenti A, Pisciolli F, Pusioli T, Barbolini G. Histopathology. 2017 Jun;70(7):1175-1177. doi: 10.1111/his.13168). The radiological technique is reported in a very, but unnecessary way. You can detail the place of a neo-adjuvant radio-chemotherapy, and the diagnostic place of the carcinoid syndrome.
