CERTIFICATE OF ENGLISH EDITING

To whom it may concern

This is to certify that the paper with the provisional title The Failed Medial Patellofemoral Ligament Reconstruction: Causes and Surgical Strategies, to be submitted by Dr. Vicente Sanchis-Alfonso of Hospital 9 de Octubre to the journal World Journal of Orthopedics, has been edited for language by ELG Language Services. Neither the research content nor the author's intentions were altered in any way during the editing process.

ELG Language Services guarantees the quality of the English language in this paper, provided our editor's changes are accepted and further changes made to the paper are checked by our editor.

A handwritten signature in blue ink, enclosed in a black rectangular box. The signature appears to be 'E. Goode'.
