COMMENTS TO AUTHORS

Dear Editor, This is an interesting review on role of oxidative stress on muscle involvement in rheumatoid arthritis. The paper is write in a clear manner. References aren't cited as indicated in "Instructions of Authors", and some of those should be corrected (journal title not is always in its abbreviated form as shown in PubMed).

COMMENTS TO AUTHORS

This manuscript is interesting. However, it needs some improvements in English language. Also, few inaccuracies should be corrected, f.e RA as the commonest inflammatory arthritis.
