

01/06/2024

To whom it may concern:

The purpose of this letter is to verify that Zibo Yimore Translation CO. LTD provided the English proofreading services for the following thesis : **Meta-analysis of the clinical efficacy of the Gamma3 nail versus Gamma3U-blade system in the treatment of intertrochanteric fractures**

Author: Xuan Wu , Bo Gao

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 01/06/2024. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Henry Graff
