

## Format for ANSWERING REVIEWERS

June 21, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 11114-Review.doc).

**Title:** Role of interleukin-22 in inflammatory bowel disease

**Author:** Lin-Jing LI, Chen Gong, Mei-hua Zhao, Bai-Sui Feng

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 11114

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- (1) Add more than 1 figure; The long paragraphs have be shorten and be added subhead; The name of several microorgasms have be written using Italic.
- (2) According to the suggestions of reviewers,I have added several cytokines and the role of Treg cells as a potential regulator for IL-22 expression in IBD.
- (3) I have added IL-23 and several transcription factors, not only STAT3, but also ROR $\gamma$ t, and the AhR are important stimulus in the functioning and regulation of IL-22.
- (4) Add several treatments that suppress inflammation by indirect inhibition of IL-22.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'Linjing Li'.
