Sub: Co-relation of SARS CoV-2 related 30 days mortality with HRCT score and RT-PCR Ct value based viral load in patients with solid malignancy: A tertiary cancer center based study

Dear Dr Satya Narayan/ Dr Vineet Talwar,

The Scientific Committee reviewed and discussed your application to conduct the study entitled **"Co-relation of SARS CoV-2 related 30 days mortality with HRCT score and RT-PCR Ct value based viral load in patients with solid malignancy: A tertiary cancer center based study"** in our internal review meeting held on 14th June, 2021 at Rajiv Gandhi Cancer Institute & Research Centre (RGCIRC).

The following comments were received from the members of the Scientific Committee:

- a. The committee approved the study.
- b. The study methodology is done under the standard of care guidelines.
- c. The study may be considered for waiver from Institutional Review Board of RGCIRC.

Yours sincerely

Dr S K Rawal

Chairman Scientific Committee
