**RESPONSE TO REVIEWER #1**

**Specific Comments to Authors:** Or manuscript presented by García-Cabezas et al., Re-irradiation for high-grade gliomas: Has anything changed? This work of interest to the scientific community, I am aware that it is an aggressive tumor with a high death rate. I consider that the manuscript traces clear information, more or that could be inserted in a graphical abstract to summarize and show the results of the manuscript.

*Thank you very much for your review and comment.*
