

## **Response to the issues raised in the peer-review report**

We thank the reviewers and editor for their evaluation and precious comments.  
We have corrected and modified the issues and grammatical errors.  
Corrections are in red in the revised manuscript.

### **>>> Reviewer comments :**

#### **Some minor grammatical errors should be corrected**

We have resolve language issues in the manuscript, with a native-English speaker editing the manuscript for grammar, sentence structure, and general readability,

### **>>> Issues raised:**

#### **(1) *The title is too long, and it should be no more than 18 words***

The proposed title contains 13 words

#### **(2) *The “Author Contributions” section is missing. Please provide the author contributions***

We have added a « Author Contributions » section at the end of the manuscript (before References)

#### **(3) *The authors did not provide original pictures. Please provide the original figure documents.***

We have added a PowerPoint file, containing the original figures (66483-Figures.pptx)

#### **(4) *Requirements for Tables, uploaded separately***

We have uploaded decomposable Tables, organized into a single Word file, (66483-Tables.docx)

#### **(5) *Please obtain permission for the use of picture***

The project of Review about DMSC-CM (including an illustration with an X-ray) has been evaluated by the Institutional Review Board (I.R.B) of Montpellier University Hospital, to get permission for the use of the picture.

I.R.B Accreditation number : 198711
