U.O.C. CLINICA CHIRURGICA 3 – Chirurgia D'Urgenza

Direttore: Prof. Michele Valmasoni

Monday, 29th May 2023

Dear Colleagues,

I, Lucia Moletta, born on 11/01/1982, confirm that the patient, Mrs B.D., and her relatives gave their oral consent.

Unfortunately, the rapidly worsening conditions of the patient could not let us obtain a formal written consent.

Yours Faithfully,

Lucia Moletta, MD

Andrea Costantini, MD
