Dear Doctor Wu

***** UNDER EMBARGO AND PROVIDED IN CONFIDENCE *****

This advice and the document/s referred to below are provided under strict **embargo** and as such, on an In-Confidence basis. **The document/s and the information are not to be made public at this time by institutions or recipients.** NHMRC will notify your Administering Institution when your outcome is no longer under embargo.

Application ID: APP1147333

Type: Project

Application Title: Bitter taste as a mediator of food intake and postprandial glycaemia in health and type 2 diabetes

I am pleased to advise that the Minister for Health has approved your application (APP1147333) for National Health and Medical Research Council (NHMRC) Project funding commencing in 2018.

This letter provides you with important information about the offer of Funding made to The University of Adelaide for this application.

Assessment Details

Where available¹, information about the assessment of your application is provided in a separate Application Assessment Summary. This can be accessed via RGMS following the instructions for accessing feedback in the [RGMS User Guide – Awarding Grants](#).

Accepting this offer

The offer of Funding for your Application is made under NHMRC's Funding Agreement (the Funding Agreement) between the Australian Government and your Administering Institution. Your Administering Institution is responsible for informing you about the requirements of the Funding Agreement (including its Schedules) the Direct Research Costs guidelines and other applicable policies².

¹ An assessment summary is not available for applications to schemes where the NHMRC does not perform the peer review. Guidance on interpreting Project Grants Assessment Summaries is available at <http://www.nhmrc.gov.au/grants/outcomes-funding-rounds>.

² Copies of the Funding Agreement, and Direct Research Costs guidelines and other policies are available at <http://www.nhmrc.gov.au/grants/administering-grants/nhmrc-funding-agreement>

关于国家自然科学基金资助项目批准及有关事项的通知

吴同智 先生/女士：

根据《国家自然科学基金条例》的规定和专家评审意见，国家自然科学基金委员会（以下简称自然科学基金委）决定批准资助您的申请项目。项目批准号：

81870561，项目名称：苦味受体介导肠道激素的血糖调控作用，直接费用：57.00万元，项目起止年月：2019年01月至2022年12月，有关项目的评审意见及修改意见附后。

请尽早登录科学基金网络信息系统（<https://isisn.nsf.gov.cn>），获取《国家自然科学基金资助项目计划书》（以下简称计划书）并按要求填写。对于有修改意见的项目，请按修改意见及时调整计划书相关内容；如对修改意见有异议，须在计划书电子版报送截止日期前提出。

计划书电子版通过科学基金网络信息系统（<https://isisn.nsf.gov.cn>）上传，由依托单位审核后提交至自然科学基金委进行审核。审核未通过者，返回修改后再行提交；审核通过者，打印为计划书纸质版（一式两份，双面打印），由依托单位审核并加盖单位公章后报送至自然科学基金委项目材料接收工作组。计划书电子版和纸质版内容应当保证一致。向自然科学基金委提交和报送计划书截止时间节点如下：

- 1、提交计划书电子版截止时间为**2018年9月11日16点**（视为计划书正式提交时间）；
- 2、提交计划书电子修改版截止时间为**2018年9月18日16点**；
- 3、报送计划书纸质版截止时间为**2018年9月26日16点**。

请按照以上规定及时提交计划书电子版，并报送计划书纸质版，未说明理由且逾期不报计划书者，视为自动放弃接受资助。

Dear Dr Wu

Re: Mid Career Fellowship Funding Request – Application No C-MCF-12-2019

Thank you for your application with The Hospital Research Foundation's **2019 Mid Career Fellowship Round**.

We are pleased to confirm that The Hospital Research Foundation (THRF) has agreed to provide the grant relating to your submitted 2019 Mid Career Fellowship application for which you are the Chief Investigator A, titled *"Developing novel "gut-based" therapies for type 2 diabetes mellitus (T2DM)"*.

- a) The Hospital Research Foundation will provide \$479,888.00 over three years;
- b) If ethics approval is required, that approval must be provided to The Hospital Research Foundation prior to accepting invoices for payment from the Administering Institution;
- c) The Hospital Research Foundation will commence the funding as soon as your Administering Institution has executed our standard funding agreement but by no later than 31st January 2020;
- d) The Hospital Research Foundation will provide the funding to the Administering Institution – CALHN (Central Adelaide Local Health Network) pursuant to our master funding agreement with CALHN.
- e) This offer of funding is limited to the current round of the 2019 THRF Mid Career Fellowships.

Your total average score is 6.23.

- Translational impact and relevance average 6.00.
- Scientific merit average 6.00.
- Track record average 6.67.

The announcement of this grant is embargoed until The Hospital Research Foundation makes a formal announcement of which you will be advised of. Congratulations and we look forward to following the outcomes of your research.

Kind Regards

Paul Flynn
Chief Executive Officer
The Hospital Research Foundation

THE HON CHRISTOPHER PYNE MP
MINISTER FOR EDUCATION
LEADER OF THE HOUSE

12 DEC 2013

Prof Tanya M Monro
c/o Research Office
The University of Adelaide

Dear Professor Monro

***ARC Centres of Excellence* for funding commencing in 2014**
Project ID: CE140100003
Centre Title: ARC Centre of Excellence for Nanoscale BioPhotonics

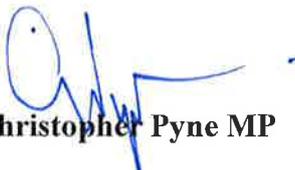

I am pleased to inform you that I have approved the award of funding for the ARC Centre of Excellence for Nanoscale BioPhotonics for funding commencing in 2014. The funding for this Centre is offered under the *ARC Centres of Excellence* scheme. Details of the funding to be provided for the Centre are attached.

The *ARC Centres of Excellence* scheme is one of Australia's most prestigious funding schemes, bringing together our best researchers to collaborate on world-leading research. Over the Centre's life and beyond, this research will have an impact on Australia, underpinning improvements in our way of life and to our communities, as well as raising our international profile in areas of fundamental research.

The Australian Government is also committed to building Australia's research capacity to help ensure that, as a nation, we remain competitive in global research and innovation. I am confident that your Centre will attract outstanding researchers and students and promote excellence in highly innovative and collaborative research, both of which will contribute significantly to Australia's national research capacity.

I warmly congratulate you and wish you and your research partners success with your research.

Yours sincerely

Christopher Pyne MP

Encl.

2014 ARC CENTRES OF EXCELLENCE

Centre Director	Prof Tanya M Monro
Centre Title	ARC Centre of Excellence for Nanoscale BioPhotonics
Administering Organisation	The University of Adelaide
Collaborating Organisation(s)	Macquarie University; RMIT University
Partner Organisation(s)	South Australian Health and Medical Research Institute Ltd; Commonwealth Scientific and Industrial Research Organisation; Peking University, Beijing; Huazhong University of Science and Technology; University of Southampton; City University London; University of Toronto, Canada; Bioplatforms Australia Ltd; Cook Medical Australia Pty Ltd; Institute of Photonic Technology, Jena; University of Colorado, Denver; Olympus Australia Pty Ltd; Heraeus Inc.
Project ID	CE140100003

Subject to parliamentary appropriation, the indicative funding provided in financial years is:

2013-14	2014-15	2015-16	2016-17
\$1,642,858	\$3,285,715	\$3,285,714	\$3,285,714
2017-18	2018-19	2019-20	2020-21
\$3,285,714	\$3,285,714	\$3,285,714	\$1,642,857

distributed in calendar years as follows:

2014	2015	2016	2017
\$3,285,716	\$3,285,714	\$3,285,714	\$3,285,714
2018	2019	2020	
\$3,285,714	\$3,285,714	\$3,285,714	

This funding is detailed in Schedule A of the proposed Funding Agreement which will be sent to your Administering Organisation's Research Office (or equivalent).

If any other special conditions apply to this funding, they are as follows:

- Nil

You should advise your Administering Organisation's Research Office (or equivalent) whether you wish the Administering Organisation to accept or reject this offer of funding. If the offer is accepted, the Administering Organisation will then be responsible for entering into a Funding Agreement with the Australian Research Council concerning administration of the funding.
