JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

Overall I agree with the 3 reviewers on their remarks and decisions for this interesting review article. The authors have made serious revision on their manuscript according to the reviewers' suggestions. My advice optional for you is the following. To make this paper more attractive and illustrative, the authors may consider adding a figure of color diagram depicting the elements in discussion. An example can be found on-line here <https://heathmatters.wordpress.com/tag/esophagus/>.
