DE CANCEROLOGÍA
ANIVERSARIO 1946-2021

September 22nd, 2021

To whom it may concern.

Title of study: **First Order Radiomics Features are better than Apparent Diffusion Coefficient to Predict Therapy Response in Locally Advanced Rectal Cancer.**

Chief investigator: Isabel Sollozo-Dupont

Department of Radiology

National Cancer Institute, Mexico.

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.
