Certificate of language editing

July 5, 2020

To Whom it May Concern,

I provided comprehensive editing services for the manuscript
**Cancer-related microangiopathic hemolytic anemia (CR-
MAHA) in patients with advanced gastric cancer: a
retrospective cohort study** by Anne Katrin Berger, Michael
Allgäuer, Leonidas Apostolidis, Anna Elisa Schulze-Schleithoff,
Uta Merle, Dirk Jäger, Georg Martin Haag which is under
consideration for publication in your journal.

The language of the manuscript has reached grade A.

Lorenza Alberti

*Conference Interpreter (Interpreting degree at the University
of Heidelberg)*
