**Professor Gamal Shehata**  
Professor of English teaching  
Department of phonetics,  
Minia University, Minia 11432, Egypt.

20<sup>th</sup> November 2022

**Dear Prof Fouad**

**This letter is to certify that the review titled “Metabolic associated fatty liver disease (MAFLD): the new nomenclature and approach with the hot debate.” Has been reviewed and edited by our department.**

Yours sincerely

Gamal Shehata
