HREC/16/CRGH/263

Concord colorectal cancer health outcomes and values project

Old HREC no.: HREC/11/CRGH/206

Thank you for submitting a progress report for the above research study. This was reviewed and approved by the Executive Ethical Review Panel of the Sydney Local Health District - CRGH Human Research Ethics Committee at its meeting of 19 November 2020.

The study has ongoing approval until November, 2021 at which time the ethics will lapse and you will be required to submit the study as a new application into REGIS for review and approval; should you wish to continue the study.

This lead HREC is constituted and operates in accordance with the National Health and Medical Research Council's *National Statement on Ethical Conduct in Research Involving Humans* and the *CPMP/ICH Note for Guidance on Good Medical Practice*.

Research governance review

This has also been noted by the Research Governance Officer at Concord Repatriation General Hospital.

Please keep a copy of this email for your records.

Kind regards,

Kataraina Whitbourne
