JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

There are a few grammatical errors and typos in the manuscript. The authors need to carefully proofread the text. It looks that Figure 1 is taken directly from another publication. Proper permission is needed for use of the figure in this manuscript.

Answer: The authors revised the manuscript thoroughly over and over again and made some grammatical and type errors. Accordingly, these changes are marked red in the main manuscript (document 1). Some characters and words are also deleted from the main manuscript (theses deleted words and characters can be checked in document 2). Totally we accept this comment. After careful consideration, we decide to remove figure 1 from the main manuscript.
