

## Match Overview

**Name of Journal:** *World Journal of Clinical Cases*

**ESPS Manuscript NO:** 24876

**Manuscript Type:** Retrospective Study

**LPFL reconstruction to restore functional capacity in patients previously undergoing lateral retinacular release**

**Mitch Beckert, Dylan Crebs, Michael Nieto, Yubo Gao, John Albright.**

**Abstract**

**Aim:** To study patient outcomes after surgical correction for iatrogenic patellar

There are no matching sources for this report.
