[HTML] Secondary aorto-esophageal fistula after thoracic aortic aneurysm endovascular repair: literature review and new insights regarding the hypothesized ...

EP Xi, J Zhu, SB Zhu, Y Zhang - International journal of clinical and ..., 2014 - ncbi.nlm.nih.gov

Background: Endovascular aortic repair was first performed nearly two decades ago and has become a well-established alternative therapy for many thoracoabdominal aortic diseases. Early survival results with the endovascular aortic repair were impressive, but it ...
