Unicentric Castleman's disease associated with end stage renal disease by amyloidosis

Eray Eroglu, Ismail Kocyigit, Aydin Unal, Murat Hayri Sipahioglu, Hulya Akgun, Leylagul Kaynar, Bulent Tokgoz, Oktay Oymak

Abstract

Castleman's disease (CD), also known as angiofollicular lymph node hyperplasia, is a rare heterogenous group of lymphoproliferative disorder. Histologically, it can be
