[PDF] **Opioids in the management of chronic non-cancer pain: an update of American Society of the Interventional Pain Physicians'(ASIPP) Guidelines**

AM Trescot, S Helm, H Hansen, R Benyamin... - *Pain physician*, 2008 - academia.edu

Background: Opioid abuse has continued to increase at an alarming rate since our last opioid guidelines were published in 2005. Available evidence suggests a continued wide variance in the use of opioids, as documented by different medical specialties, medical ...
