**Manuscript Type:** CASE REPORT

**Synchronous multiple primary gastrointestinal cancers with *CDH1* mutations: A case report**

Mu-Ni Hu, Wei Lv, Rui-Yue Hu, Yifan Si, Xiao-Wen Lu, Yan-Juan Deng, Huan Deng

## Abstract

### BACKGROUND

*Synchronous multiple primary cancers (SMPC)* mean two or more malignant tumors occurring simultaneously and with different origins no matter what types they are or where they locate. The carcinogenesis of *SMPC* often involves variations of some specific genes. However, the correlation between *CDH1*
