Basic Study

**Reciprocal impact of host factors and *Helicobacter pylori* genotypes on gastric diseases**

Sahar Hosseini-Jahromy, Farideh Sarosh, Reza Malekzadeh, Taher Nijad Soltani, Saeid Latifi-Navid

#### Abstract

**AIM:** To assess the impact of *Helicobacter pylori* (*H. pylori*) genotypes and patient age and sex on the development of gastric diseases.

**METHODS:** *H. pylori*-infected patients ( $n = 200$ ) referred to the endoscopy unit at Tehran University of Medical Sciences (Tehran, Iran) were diagnosed with chronic
