Case Control Study

Total pancreatectomy with islet cell transplantation *vs* intrathecal narcotic pump infusion for pain control in chronic pancreatitis

Mokadem M *et al.* Control of intractable pain in chronic pancreatitis

Mohamad Mokadem, Lama Nouredine, Thomas Howard, Lee McHenry, Stuart Sherman, Evan L Fogel, James L Watkins, Glen A Lehman

Abstract

AIM: To evaluate pain control in chronic pancreatitis patients who underwent total pancreatectomy with islet cell transplantation or intrathecal narcotic pump infusion.
