Epigenetics in cancer: implications for early detection and prevention

M Verma, S Srivastava - The lancet oncology, 2002 - Elsevier

... Virmani and co-workers developed a panel of markers for aberrant methylation that detects lung cancer at ... They also found that APC is methylated in non-small cell cancers. ... Hypermethylation of promoters of several viral and cellular genes is well known to result in silencing of ...

被引用次数: 151 相关文章 所有 7 个版本 引用 保存

Epigenetics and cancer

M Verma, P Maruvada... - Critical reviews in clinical ..., 2004 - informahealthcare.com

... The protein complexes so far identified include methylated DNA-binding protein MECP2, and methyl ... Methylation changes are a surrogate for altered expression of the gene product, which ... However, in some CRCs, MGMT expression is silenced by promoter hypermethylation. ...
